

10. The story of Azadi

He came from the Ayar clan. He grazed many goats and thus increased his wealth. Dhanpal fed the guest Nargat and made him enjoy. So Azadi's wealth

increased day by day. One day Olavaiyar went to his house. He praised Olavaiyar and gave him a feast. Auvaiyar, who was pleased with that, sang a hymn on him. Accovai is famous for Asadik Kovai. As a result, Azadi Meluj got great wealth. In the house of one whose countenance is well-bloomed and who admires the guests, 'the bride

will be happy and excelled' has become a reality in the place of Asati.
