Athikan was a petty prince who once knew the government of Kongu country. He was a small king and had a lot of wealth. He was overwhelmed with wealth.

As he was under the rule of the Chola king, he used to pay tribute to him. It was fitting for him, who was wearing a Selvaklip. So he struggled to do the things that needed to be done. Chola sent him to pay tribute. Ignoring that too, he was humbled. Due to this the Chola king became enmity with him. The enmity grew day by day. Chola marched his forces against him. He stood up trembling as the army approached his city. Tends to fight. Couldn't do it in front of a large force.

He failed and became a slave of the Chola king. He made everyone realize that if the evil is in a person born to a good citizen, it will make him a slave to the enemy.
