

26. The Story of the Fig King

Atti was a king who appeared in the clan of Din. His father's name was Sukhothran. He became the benefactor of all blessings. A new city was built with dignity. The city was called Athenapuram after him. King Athi reigned in that city. Athimannan became a simple person for the quarter of the year. He will not be harsh even to those who insulted him. He was ruling the government with excellence, considering the grievances of the citizens as his own. The Pandavas and others appeared in the path of the famed Ivan. The end of his fame also came to a halt. He became an example to great kings.
