

39. Story of one of the Antanaras

Pulikal sent Sage Iraniya Vanman to Antarvedi to invite three thousand monks from Antarvedi to offer prayers to Kuthapran who had risen in Thillai. Iraniyavanman also went in the same way and brought three

thousand people on a chariot. The Antanas reached Thillai and saw two sages. Iraniya Vanman counted whether the three thousand people had arrived properly. One was not found. So he was stunned. "All the visitors will add us to Kuttapran. Let's add him. Therefore, we are one of them," said Thiruvaimalarandarula.
